Ronald McDonald House® Gainesville

Presented by UFHealth University of Florida Health

Build a House for the House

Friday, December 4, 2026
11:30 AM – 2:00 PM

Ronald McDonald House Gainesville | 2121 SW 16th St | Gainesville, FL | 32608

Ronald McDonald House Gainesville provides temporary housing, basic amenities, and support to families with children receiving treatment at area medical facilities.

Each night, the Ronald McDonald House® provides 50 families with a private room and all the comforts of a home. This allows them to focus on the treatment and recovery of their children rather than where they will sleep or eat.

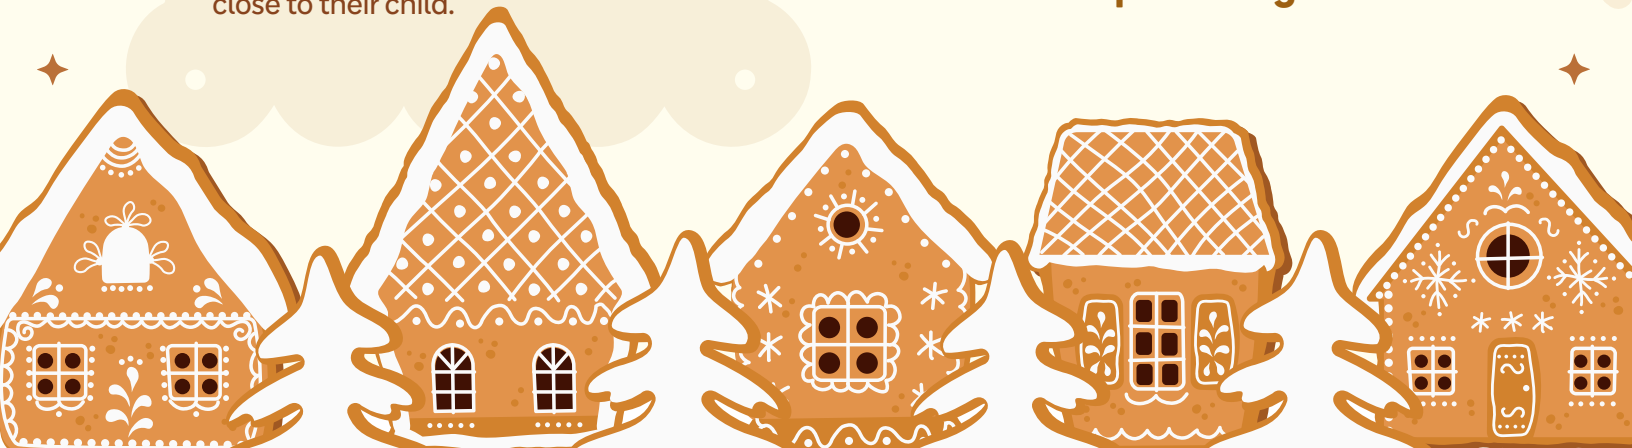

At UF Health Shands Children's Hospital, the Ronald McDonald Family Room® offers a quiet place to nap, computer access, and a cup of coffee, helping families stay close to their child while balancing home, work and the hospital close to their child.

We invite you...

to help families find strength in numbers by joining us for our annual "Build a House for the House" event. You will enjoy holiday cheer and fun while you decorate a gingerbread house with your friends.

We will provide you with lunch and drinks, as well as a gingerbread house to assemble and decorate, icing, and assorted candies. If you wish, you may also bring your own supplies to help your team turn your gingerbread house into a home. At the end of the event, local celebrity judges will award prizes to the best gingerbread houses.

We are excited about this year's event and hope to see you there!
